BIDS AND AWARD COMMITTEE

BID BULLETIN NO. 2

SUPPLY AND DELIVERY OF VARIOUS LABORATORY SUPPLIES AND REAGENTS FOR THE 3RD QUARTER OF 2022

This Bid Bulletin is being issued to clarify and/or amend certain provisions in the Bidding Documents.

ADDENDUM											
Section V. Special Conditions of Contract											
Incidental Services											
<i>5. The supplier shall provide a functional back up machine using the same reagents together with the machine to be installed before the first schedule of delivery. Noncompliance to provide of back up machine shall be grounds for cancellation of notice of award.</i>											
<i>6. The supplier shall provide functional UPS, AVR, tables for benchtop machines and computer set until end of contract. All provided accessories shall be returned to the supplier at the end of the contract.</i>											
<i>7. Supplier will be responsible for the continuous operation of the installed machine, including but not limited to upgrading, maintenance of ambient temperature (provide temperature monitor), quarterly and as needed preventive maintenance and calibration service and repair and replacement of parts. These services must be free of charge for the duration of the contract. All reagents and supplies consumed during preventive maintenance and machine repair must be replaced without cost to the institution.</i>											
<i>8. Suppliers must be willing to safe keep delivered reagents in cases wherein there is a full storage of laboratory warehouse with no additional cost to the institution.</i>											
Section VII. Technical Specifications											
AUTOMATED BLOOD AND STERILE BODY FLUID CULTURE
